

## **Whiter, brighter teeth with tooth whitening**

Tooth whitening can have a huge effect on your smile and is the simplest and most affordable way of enhancing it. At Cassidy Dental in Magherafelt we provide the latest tooth whitening technology to make your teeth look bright and white.

Whitening your teeth can help remove staining caused by smoking or drinking tea, coffee and red wine and because your teeth darken with age, making them whiter can also make you look younger!

## **At-home tooth whitening**

We offer specially fitted home whitening trays kits, so you can whiten your teeth at a time and place that suits you. We can discuss this with you and show you how to use it to best effect.

## **Great value tooth whitening treatments**

With costs for this kind of tooth whitening treatment evermore competitive, there's probably never been a better time to give your teeth a makeover.
